

IMPORTANT CHANGES!! If you are one of our library patrons who read with Libby, starting on October 15, 2026, you will need your Carolyn Stewart Public Library card number AND a password to access books on Libby. You WILL NOT be able to check out on Libby without having both of these in place after this date.

Go to our website at www.Jasper-TN.com; choose Departments tab, click Municipal Library; under Links, click on Card Catalog. (A direct link to our Verso card catalog is <https://tenv.agverso.com/home?cid=TENV&lid=JASPER>) Log in to Verso with your library card number and userpass as password.

You may use numbers or letters in any combination. If it does not accept your password, call us at (423) 942-3369. We will be glad to help!

Please login for additional services. First time access, password is userpass
